***Outdoor Ranges: Chris Seitz**

Hello to all the members.

Things around the club's projects will also start again. On Monday evenings, we will continue the range projects that we never seem to finish. Generally we will start at 5PM & limit work time to around 2 to 2 1/2 hrs. They thank the members for the courtesy of using the range. They also will contribute work around the ranges as per their prior commitment.

See you on the range, safety first!
Chris Seitz chrisseitz@comcast.net

In the still beating the dead horse but he keeps getting back up department: Shooters, please familiarize yourselves with the rules of the range and follow them. Last week I had the "opportunity" to hold class with a recently signed member on the reasons why rapid fire is a prohibited practice at Branch Valley, and Mr. Seitz had to explain to another member just why you don't go down range in front of a closed, unflagged firearm. Our safety record is second to none, and we want to keep it that way. Please feel free to contact me or any director or officer concerning the rules and regulations. We will be glad to help.

Earl Yocum and Chris Seitz (and others) are still working on the outdoor ranges Monday evenings. If you are in the area and able to lend a hand it would be appreciated. Bob Gular

***Views From The Field/Dave Youells:**

May, 2010

It was an afternoon of fun that was well attended by members wanting to help with the trout stocking prior to the kids day opener. Approximately, 1500 trout took up residence in our lake that day. They were nice size and appeared to be in good health as they leaped into the air. Many were seen feeding on the surface eager to take the hatch coming off the water.

There will be some workdays scheduled to do some work on the outdoor ranges. When the times are posted on the bulletin board as well as published in the newsletter please remember your commitment when joining Branch Valley, to freely offer to help where and when needed. See Bob Gular to volunteer.

Be sure to read your newsletter thoroughly so as not to miss any of the activities happening here at your club.

See you at the meeting.
President Dave
